[From the Child's Paper.] "Bubby,"

old, and very canning. He died while child, no longer cross-laden with the sufferings of a fallen world."

When she came home, Tommy was not Mary had a precious little seed-thought We are now able to annonness with certainty in his crib. She lifted up his blanket and no Tommy. She turned to her mother, and her large blue eyes asked, 'Where the hody left in the grave, but on the 'Christ-child' in heaven. That was her where is my dear bubby?' Mother took her hand and led her to the best chamber. On the white bed lay Tommy. He was washed and dressed, and quieter than a lamb. Oh, he looked so beautiful. "Tommy' asleep" whispered Mary, holding to her mother's hand very tight.

'Asleep in Jesus,' said the mother of the Chillicothe Commercial College.

The Commercial

softly and sweetly, yet there were two Foot of Payette st. East of R. R. Depot, he large tears running down her cheeks .-Mary did not quite know what that sleep was, but she felt it meant something; nor did she ask her mamma. When she laid her head on her snow-white pillow that night, would she sleep with Jenus? little bosom with awe, because she never was not ofraid. Oh no, because she new Jesus loved little children. There was a Pinster-Paris, of the very best quality, for substant of it in the creat Bible, and her Penstand Hearon's. papa showed to her every Sabhath,

The next day Tommy was buried .had a rosebud in his hand and flowers ity, at over his head. Mary thought he was crowned; but Tommy didn't mind it.

She rode to the grave in [the carriage When it reached the yard they jumped when it reached the yard they jumped out and walked in; and all the little cousins and uncles and aunts left their carriages, and walked in, two and two .- I They came to the grave and looked down and there lay the small coffin. Then the LATH-Custering Lath loopt constantly or children sang a hymn: I do not know what it was &Perhaps it was, Twant to Crushed Sugar-A very superior article. be an angel." And the singing floated on the sunny air all around, and the Spices All kinds at figures astenishingly birds on the assent two askend it. Many listened; if she could only catch Tommy's voicel Tommy was singing—with cost prices, at Princes & Reserve. birds on the aspen-tree echoed it. Mary

The next day Mary went to her playthings, and was playing her mother burst into a loud cry, and began to sob ply at mother, running into the little chamber, "what alls you? You are hurt, my CEHENT-As A No. 1 action, for sale child." "They put my bubby in a grave, Nander men put my bubby in a grave. 1 Luffer my dear bubby," cried Mary, her voice choking with grief. Mother took Divors & SASH-Always on hand, and her to her bosom. On, who can tell how she wanted "bubby" too! Mother could not speak at first, she only clasped her little girl closer to her bosom. When she did, "Tommy is not in the grave my darling," she said. 'Tommy is very, very happy with Jesus in heaven. Old Saddlo Shop We put the dear little body which he left behind in the ground to keep, becauit is of no use to us now Tommy is gone. The little grasses will watch North aide Court Street, one door west of Main, over it, and the birdies will sing to it, and the warm sun will shine on it, and we will often go down and say, 'Tommy's little body is kept here, but Tommy himself is with Jesus," . So mother tried to comfort Mary; yet Mary yearned after it; she could not help it. Aud did not mother too?

One day, a little while after, Mary feeling in her mother's pocket, pulled out a daguerreotype. "It is Tommy's," cried Mary, sparkling with delight .-"Tommy's daguerreotype!" You may have it," said her mother. 'Mine to keep?' she asked joyfully. Mother's head nodded 'yes.' She eagerly opened the case. The picture was gonel Tommy is not GROCERY AND here, said the little girl, a great shad- PROVISION STORE! ow of disappointment crossing her face. "You can take the case," said mother; TTAVING PURCHASED THE STOCK "it is pretty." 'No,' said Mary, turning owned by Benjamin Allen, I shall continue the don't care about it." Mother put the at the old stand. My stock is of a good quality, sire to supply themselves with a superior article and seams assure the public, that I design keep the case in her basket. George took it up and looked in. 'You may have that, said in a Grosery and Provision Stees.

his mother. 'I don't want the emply

If you want a first rate article of case." replied George. "If Tommy was Ton, Coffoe, Sugar only in it.' Presently Sophy came of any kind, I have it. If you want along, and she opened it. "Don't you man't the case?" asked mother. "Oh Baisins, Natmegs, Prines, Figs, Claves, Tommy," said Sophy. And so all the children left the case to be put in the robbish-drawer away. Where was Tommy? they asked. Mother left them in the dark.

the children came home one afternoon, and behold, a beautiful picture on the perforwall. "Tommy!" each one said August, 14th, 1862 [37*tf.] in a reverend tone. Oh, it was so like M ORE VIOLINS: Tommy his golden bair, and the one from \$1.50 to \$12. [1517] Bernevad Son. BREAT IMPROVEMENTS IN Sewing Machines.

EMPIRE SEWING MACHINE. Patented February 14th, 1850.

Salesroom, 510 Broadway, N. Y. THIS Machine is constructed on an entirely new principle of mechanism, possessing many rare and valuable improvements, having been examined by the most profound experts, and pronounced to be simplicity and perfection condined. The following see the principal objections

rged against Sewing Machines :-L-Kxorssive fatigus to | 4.-Incapacity to sew the operator.

- Linbility to get out of material, of order.

- Tisagreeable noise

Expense, trouble, while in operation.

The Empire Sewing Machine is exempt from all these objections. It is a straight would perpendicular action makes the book or shuttle stick, which wi

neither rip see ravel, and is allke on both sides perform perford severing on every description of material, from Leather to the fluest Nansook Muslin, with cotton, linen or silk thread, from the coarsest to the fluest number. Having neither, Cain nor clog Wheel, and the least possible friction, it runs as smooth as glass, and is simplicitiesly.

A MOISELESS MACHINE. It requires fifty per cent. less power to drive than any other Machine in market. A girl yours of age can nork it steadily. at twite your of age on work it steadily, without fittings or injury to health. Its strength and wonderful simplicity of construction render it almost impossible to get out of order, and is guaranteed by the company
